

## **Admission Prospectus for International Students(2023)**

### **Hunan Chemical Vocational Technology College**

#### **About HCVTC**

Hunan Chemical Vocational Technology College, established in 1958, is situated in a nationally renowned eco-friendly and livable city--Zhuzhou, which has been awarded “National Civilized City,” “National Healthy City,” and “Top Tourist City of China”. HCVTC is a state-owned full-time college run by Hunan provincial government and affiliated with Hunan Education Department. In 2012, it was awarded Model Vocational College in Hunan province. In 2016, it was honored with Outstanding Vocational College in Hunan province. In 2019, it matured into a college in Double High-Level project (high-level colleges and specialized groups). For consecutive 6 years, HCVTC has been provincial Excellent College for High-quality Employment Work. There are over 17,700 full-time students and more than 700 teaching staff. HCVTC covers over 680 thousand square meters, with the school buildings occupying 49,000 square meters. HCVTC has 8 schools, including School of Chemical Engineering, School of Pharmaceutical and Biological Engineering, School of Electro-mechanical Engineering, School of Automation and Information Engineering, School of Business, School of Marxism, Department of Common Courses and Department of Physical Education.
